	Forced-Unionism States.	\$34,444
	Michigan	\$35,340
<small>Missouri Economic Research and Information Center; BEA</small>		

* The term “Tax Freedom Day,” was coined and popularized by the nonpartisan, Washington, D.C. -based Tax Foundation. As the Tax Foundation has explained, it is “the day when Americans . . . finally have earned enough money to pay off their total [federal, state and local] tax bill for the year.” (For simplicity’s sake, the Tax Foundation assumes an equal amount of income is earned every day, and does not distinguish weekdays from weekends.)

To obtain more detailed information about how any or all of the above comparative economic data were derived, contact Stan Greer -- e-mail stg@nrtw.org or call 703-321-9606.

The National Institute for Labor Relations Research is an organization whose primary function is to act as a research facility for the general public, scholars and students. It provides the supplementary analysis and research necessary to expose the inequities of compulsory unionism.

The Institute will, upon request, provide documentation to substantiate tax-deductibility of a contribution or grant. Nothing here is to be construed as an attempt to aid or hinder the passage of any bill before Congress or a state legislature.
